### **SPRING DANCE – SATURDAY MAY 28<sup>TH</sup> PERFORMANCE**

Our Spring Show Ballet demonstration is drawing nearer, and we would like to ensure that all parents and students are aware of rehearsal and performance times, as well as costume requirements for the performance. It is not required that students wear new dancewear for the Show, but we ask that your child's dancewear is clean and in good condition. The costumes are simply what your child wears in class – see outline below. Also attached are rehearsal and performance schedules as well as performance guidelines.

It is mandatory that dancers attend all rehearsals to ensure their comfort and confidence on stage.  
If you have any further questions, please contact the OSCB at 905 302 5383.
